Marvels Topic Web- Summer 1st Term 2018

Little Marvels Love to Learn!

English

In English, we will be reading with Stories with Familiar Settings. The children will be making predictions, identifying main characters and settings and writing their own story set in a familiar setting. After this we will look at non-fiction texts.

Science

In Science, the children will be learning about Everyday Materials. We will be doing lots of investigative work. We will compare different materials as well as looking at what materials different objects are made from.

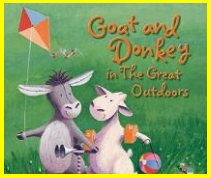
Music

In Music, the children will the children will listen and appraise four pieces of music
- Mars by Gustav Holst
Tubular Bells by Mike Oldfield
- Happy by Pharrell Williams
- When i'm 64 by The Beatles

PSHCE

We will be thinking about how we feel and how to express our emotions in a constructive way.

The Great Outdoors



Physical Education

The children will continue with gymnastics this half term.

RE/PSHE

In RE, the children will be learning all about Judaism.

Maths

The children will study the following areas:

- Multiplication and Division
- Fractions
- Place Value
- Four Operations

Creative Curriculum

Geography

The children will be studying fieldwork in the school grounds. We will be doing lots of outdoor learning and investigating the local area.

History

We are going to start learning about World War One with a focus on the role of animals.

DT

The children will be learning about Structures and Stability. We will be investigating how to make things stronger and designing and making our own product.

Art

The children will be learning about the artist Andy Goldsworthy and creating art work in his style.
