

Caring, Believing, Learning, Achieving

SPORTS FUNDING 2014-15

Our indicative Primary PE and Sport Funding for 2014/15 is £8,000 plus £5 per pupil.

Sports Funding will be used to:

- Provide further training for play leaders and ambassadors in both key stages to introduce playground games at breaks and lunchtimes.
- Ensure that more pupils access competitive inter-school sport through the sports partnership.
- To develop the use of the new Lancashire Curriculum across the school
- Increase the quality of assessment in PE Lessons
- Ensure that all pupils can swim at least 25m by the end of KS2
- To host more football, rugby and netball matches against other local schools.

Anticipated Impact measures:

- An increase in the number of pupils taking part in after school sport
- Increase and success in competitive school sports
- Growth in the range of traditional and alternative sporting activities
- An improvement in partnership work on physical education with other schools and other local partners
- Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
- Greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health.
- Quality of overall provision to improve so that all teaching in this area is at least 'Good' or better.

Evaluation/Impact Measures:

- Provide training for play leaders to introduce playground games at breaks and lunchtimes.

Play leader were trained and regularly organised games during lunch times. They recently set up a monitoring book where they record how many children are actively playing games at lunch time.

- Ensure that more pupils access competitive inter-school sport through the sports partnership.

Through developing the football squad we have been able to choose a variety of children for different games. More children have been encouraged to join teams and play in competitions. 70% of children have been involved in school sports and competitions including children with SEN and GT.

- Increase the quality of assessment in PE Lessons

Assessment grids were filled in to show which children were secure in the fundamental skills Groups have been identified for more physical activity in 2015-16

- Ensure that all pupils can swim at least 25m by the end of KS2

Swimming has been very successful this year with most children in Year 4 achieving their 25m. 15% of children will be offered further swimming lessons next academic year.

- To host more football, rugby and netball matches against other local schools.

Throughout the year we hosted several football matches against other schools. In the summer term we also hosted a Year 3/4 football competition for 6 other local schools. Next year we have planned a tag rugby event.
