

### English

Write a story about fire.

Think carefully about: sentence starters, adjectives, adverbs.

- Who is going to be the main character in your story? Where is it set?
- What is the problem?
- How does it get solved?

Put lots of information in to make it interesting!

### History:

Write some information about Florence Nightingale.

Is she famous?

What did she do?

### Century of Doom!

### Science

I want to make a house for 'Paddington' but I don't want to use plastic for its roof.

What other material could I use for the roof and why?

Think about all of the different materials and their properties

Home learning this half term:

We are giving you a menu of homework activities. Over the next seven weeks, you must complete the English and Maths activities, and also choose at least 3 others to complete. As we are giving you a lot of time to complete this homework, we expect good quality work. All activities will also be covered in school at some point over the half term. We hope you enjoy our new Homework style. We will be holding a home learning sharing session in school on Friday 15th December, so all homework must be handed in by that day - feel free to be as creative as you want! Enjoy!)

### Maths

Learn to count forwards and backwards in 2's, 3's and 5's.

Write the numbers and practise. Can you say them backwards? For example: 55, 50, 45, 40, 35, 30 etc

### PSHE Good to Be Me

Have a think about why you are special?

Can you write down how you are different to your friends and how you are the same?

Do you think it would be nice if everyone was exactly the same?

### Creative Curriculum

#### Arts:

Research the famous artist called 'Vincent Van Gogh'.

Do you like him? Why?

Can you draw/paint a painting like his?
