Little Marvels Love to Learn!

English

Write a set of instructions for something e.g. brushing your teeth or making a sandwich. Include bossy verbs, time words and pictures.

Write a diary about what you get up to each weekend. Remember to write neatly using capital letters, full stops and finger spaces.

Science

How do plants grow? And what do they need to stay healthy? Create an information sheet about plants. You could write sentences, design a poster or draw pictures.

Home Learning

After your feedback from the questionnaire we have made some slight changes to homework. Over the next five weeks, you must complete at least one of the English and Maths activities, and also choose any of the others to complete. As we are giving you a lot of time to complete this homework, we expect good quality work. All activities will also be covered in school at some point over the half term. We will be holding a home learning sharing session in school on Thursday 22nd March, so all homework must be handed in by that Wednesday - feel free to be as creative as you can - We can't wait to see what you produce! Enjoy ☺
