Friday 10th March 2016

Dear Parent and Carers,

Your child has been selected to take part in the first ever Burnley STEM competition that will be taking place on Thursday 17th March 2016 at University Technical College Lancashire in Burnley, from 9.00am- 3.00pm.

As part of the day your child will:

- Take part in an interactive STEM presentation
- Get involved in a Product design task and workshops
- Get the opportunity to present designs to a panel of industry experts
- Get a tour of UTC Lancashire and experience STEM related activities

Ms Brown will be supervising the children throughout the day and will return to school before the end of the day; so your child will need to be collected from school as normal.

Those children that are entitled to a free school meal will have a lunch provided- if you would like to take up that offer- otherwise please supply your child with a packed lunch in a disposable bag.

If you would like your child to attend then please complete the reply slip below and return to school by Monday 14th March.

Yours Sincerely,

Miss Sugden
