Caring, Believing, Learning, Achieving

19th June 2017

Dear Parents/Carers,

Following the latest weather forecast for tomorrow, we are insisting that **ALL** children wear sun cream before they arrive at school and that they bring sun cream with them to reapply throughout the day. If this is not possible, we request **permission to provide** sun cream for your child. This will be Nivea Children's Sun Spray Spf 50 Plus (Please see the attached leaflet for ingredients.)

Given the extreme weather conditions, our priority is the health and safety of our children and under the circumstances, we cannot risk exposing them to the sun without protection. Any children without sun cream or permission for the school to apply sun cream **WILL NOT** be going on the trip tomorrow.

Please also send your child with a **sunhat** and an extra **bottle of water**.

Any travel sickness tablets should be given before the trip and if one is required for the return journey, please put in an envelope with their name written on and give to a member of staff in Year 4. If your child needs an inhaler, please make sure they have one for the trip with their name on, thank you.

Your child should have a packed lunch in a disposable bag. School will provide a packed lunch for the parents who ordered one. Uniform must be worn and comfortable shoes/trainers as there will be a lot of walking.

Just a reminder, all children must be in school by 9.00am and they will arrive back at school for 5:30pm.

Yours sincerely,
Miss S Templar
