

## Hobbits Topic Web- Autumn 2<sup>nd</sup> Term 2016

### Stronger Together!

### English

This half term in English, we are learning about:

Information booklets - linked to science based around the scientific presenter David Attenborough.

We will read a range of information texts and identify the features, including language used. We will use knowledge gained to create our own booklets.

### PSHCE

This half term, we will be learning about changing our mind set from fixed to growth mindset.

We will also be discussing challenges we have overcome in the past, goals for us to aim for and also the approaches and qualities needed to be successful.

### Maths

This half term in Maths, we are learning about:

- Word Problems involving logic and reasoning
- Fractions - ordering, comparing & equivalence
- Multiplication and Division
- Measures - Area
- Mental strategies

### Science

We are still conducting our learning around living things and their habitats.

We will be using English lessons to also complete our Science.

### Physical Education

We are learning about Hockey and High 5 with Mr Brown.

RE - We are learning about the Christmas story with Ms Brown.

### Music -

We are learning about the beats within music, playing to music by popular artists (Elvis, The Beatles and also learning a little about their lives).

### French -

We are learning about greetings, colours, days and numbers

### Creative Curriculum

History - The Stuarts - Focus on the English Civil War, the execution of King Charles I and the difference in leadership between Oliver Cromwell and Charles II.

Geography - Changing landscape of Britain including the industrial revolution and links to other countries.

Computing - Encrypted and decrypted messages.

Art - Great Fire of London - creating layered pictures.

Design Technology - Christmas Creations
