

Hobbits Topic Web - Summer One Term (2017)

Stronger Together!

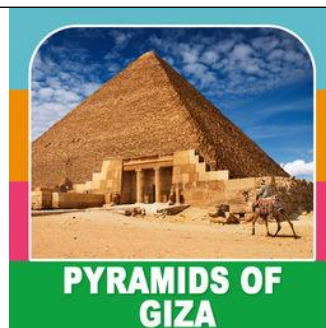

English

This half term, we have are learning about:
Legends and Limericks.

We will be identifying the features of legends linking it to our patron saint (Saint George). We will then after reading many them be creating our own; creating our own mythical creature and hero/heroine. We will finish by typing them up and adding images

PSHCE

This half term, we are looking into acts of kindness. How we can be a better person but also push ourselves to always achieve more.

Maths

This half term we will be learning about:

- Graphs
 - Place Value
 - Time
 - Fractions
- &
- Calculations

Science -

This half term in Science, we are learning about: Space

We are looking at the question, do aliens exist? We will be learning about the solar system and new scientific developments within this field of knowledge. Additionally, we will be learning about the phases of the moon and how it links with water here on Earth.

Physical Education - We are learning about rounders with Mr Brown.

RE - We are learning about the Islam with Ms Brown.
