

Caring, Believing, Learning and Achieving

Topic Web Autumn 1st Term 2016

English

In the first few weeks we will be labelling objects around the classroom.

After we have done this we will be talking about capital letters and where they go in sentences as well as other punctuation such as full stops and question marks.

Following this, nearing the end of the half term, we will be reading a story book about Pirates (linking to our theme). As part of this the children will become familiar with re telling, will discuss word meanings and become familiar with the main characters and the story setting.

Science

In Science we will be learning about our bodies and how we are different to other animals and plants.

We will also be learning about how humans differ from one another as well as discussing the similarities. Finally we will be learning about the five senses.

PSHCE

We will be learning about how to behave in and out of school as well as discussing what is meant by bullying and what to do if this happens.

Little Marvels

Little Marvels love to learn!

Year 1-Mr Bent

RE

In RE we will be learning about the creation story and how we should look after world.

Physical Education

This will be planned and taught by Mr Brown.

Maths

In maths we will be learning about height, length, width, and weight. We will be learning about weight and using the terms heavier and lighter.

Once the children have an understanding of place value in number we will be moving on to learn about adding and subtracting (in real life and with numbers)

Creative Curriculum/Topic

This term we will be studying Pirates. We will be learning about pirate ships and following on from this, the children will be making their own miniature pirate ships. Finally we will be learning about the continents and the oceans, which will be linked to map work.

Music

Here we will be learning about rhythm and pulse learning what they mean. Following this we will be learning about musical instruments and how we should play them.
