

Marvels Topic Web- Autumn 2nd Term 2016

Little Marvels Love to Learn!

English

In the first few weeks we will be writing stories for the "Little Old Lady who lives in the shoe". These stories will all be traditional tales. Following this we will be creating our own non-fiction books about the Great Fire of London.

Science

In Science, we are learning about our bodies and how we are different to other animals and plants. We will also be learning how humans differ from one another and how we still all humans. We will also be learning about the five senses.

Music

Here we will be learning about rhythm and pulse learning what they mean. Following this we will be learning about musical instruments and how we should play them. This will be taught by Miss Hosker.

PSHCE

We will be learning about perseverance and how we improve our Growth mind-set.

Fire! Fire!

Physical Education

This will be taught by Mr Brown and will be about rolling and overarm throwing.

RE/PSHE

In PHSE and RE we will be learning about the Christmas Story and will be performing a nativity.

Maths

In Maths, we will be learning about fractions, capacity and money. We will be finding fractions of objects, estimating the capacity of objects and measuring it in standard and non-standard units. Following this we will be learning to recognise coins and the value associated with them.

Creative Curriculum

This term we will be studying the topic of "Fire! Fire!".

History

We will be learning about the events leading up to the Great Fire of London.

Geography

We will be learning about London and where this is within the UK.

Art

We will be learning about shading and colours.
