Dear Parent and Carers,

Your child has been selected to take part in the Primary Engineer Celebration Event that will be taking place on Wednesday 25th May 2016 at Burnley Football Club, from 9.00am- 2.00pm. In order to prepare for this event your child was involved in creating a product for one of the following levels/categories:

Apprentice Level 1 -	Shoebox model (Key stage 1)
Engineer Level 1-	Vehicle designed to climb a ramp (Key stage 2)

As part of the day your child will:

- Present the work that they have done in class to the judges, for their category
- Get the opportunity to view the work of other children
- Talk to the judges about their project
- Take part in celebrating their success with other schools

Ms Phipps will be supervising the children throughout the day and will return to school before the end of the day; so your child will need to be collected from school as normal.

Those children that are entitled to a free school meal will have a lunch provided- if you would like to take up that offer- otherwise please supply your child with a packed lunch in a disposable bag.

If you would like your child to attend then please complete the reply slip below and return to school tomorrow, thank you.

Yours Sincerely,

Mrs J Collins
