Caring, Believing, Learning, Achieving

Friday 30th June 2017

Dear Parents/carers,

Lancashire County Council Safer Travel Team

Right Start Pedestrian Training Programme

We are proposing to deliver the Right Start Child Pedestrian Training Programme which has been developed to enable children to become safer pedestrians.

The programme, which is progressive, consists of three stages:
Stage 1 with reception class – approximately 4/6 half day sessions.
Stage 2 with Year 1 class – 3 half day sessions.
Stage 3 with Year 2 class – 3 half day sessions.
The units covered are: Other People, Safer Places, Stop, Look, Listen and Crossing.

Classroom discussion is supported by practical training at the roadside under the supervision of an Approved Trainer who has been nominated by the school and has attended a familiarisation course organised by Lancashire County Council Safer Travel Team.

- Your child will be well supervised on a maximum ratio of two children per adult.
- A minimum of two trainers will be present on every occasion.
- The trainers will always hold your child's hand during the practical activities at the roadside.
- Training will take place in locations which have been assessed by The Safer Travel Team as being suitable.
- High visibility waistcoats will be worn by trainers and trainees.

We would appreciate your reinforcement of the safe practices involved when out with your own child.

I hope you will give your consent to your child taking part by completing the attached form and returning it to the class teacher by Wednesday 5th July 2017.

Yours sincerely,

Mrs F Fairclough
Year 2 Class Teacher

Right Start Child Pedestrian Training Programme

I give permission for my child to attend training.
