Caring, Believing, Learning, Achieving

18th March 2016

Dear Parents/Carers,

As you may know, today is Sport Relief. Every year Sport Relief raises millions of pounds to aid many different causes across the world. Here at Springfield we would like to help the figure raised be as high as possible.

Next week we will be starting our own challenge. As a school we will be travelling the distance from John O Groats to Lands End (603 miles in a straight line). To do this we will be running round the school field. In order to cover 603 miles we will need to run around the field 3882 times.

Every member of Springfield School will be doing their bit to help this mammoth task be achieved. Every play time, dinner time or after school club children and adults will be given chance to run as many laps as they feel comfortable with and hopefully (finger crossed), by the end of the week, the challenge will have been completed (if not, I will have a lot of running to do).

All we are asking for in return for complete this huge task is a sponsor for each child (minimum of £1) to be brought in on **Thursday 24th March**. There is no set limit on how much you are sponsored but we do not expect you to go knocking on doors asking to be sponsored. The class that raises the most at the end of the week will receive a prize.

Many thanks in advance

Mr Brown
