Dear Parents/ Carers,

We would like to introduce to the children in Garden Room - 'Story Massage for Children'.

We, the Nurture Staff, have recently attended training in the understanding and delivery of Story Massage and as qualified practitioners, feel it would be of enormous benefit and enjoyment to the children.

The practice of Story Massage would involve the children using 10 very specific touches which will be taught by us. These basic massage strokes concentrate on shoulders, back, arms and the head. No clothing needs to be removed and children will only massage other children.

Story Massage will always be given with respect and will only happen if all concerned are fully comfortable.

If you have any questions regarding Story Massage please contact the Nurture Staff via the school office.

Yours faithfully

A Phipps and J Moffitt

.....
I give permission for my child to take part in Story Massage sessions.
