Avengers Topic Web – Summer Term 1 2018

There is a Hero in all of us

English

- Read a non- fiction book and record 10 facts that you have learnt.
- Write a short non-chronological report using the facts you have learnt about light and shadows.
- Choose 10 words from the year 3 spelling list and practise them using pyramid writing.

Science

- Find and record 5 objects in your house which reflect light.
- Create a poster to show how we can protect ourselves from the sun.

Computing

Go on scratch and programme your sprite to follow 5 different instructions. Record the instructions in your homework book.

Avengers
Home Learning Activities
Summer 1
Light and Shadows

Maths

- Find equivalent fractions for ½, 1/3, 1/5 and 1/7.
- Draw and label 5 different 2-D shapes. Can you identify parallel and perpendicular lines?
- Use paper to create a net of a 3-D shape.
- Draw examples of an acute angle, obtuse angle and right angle.

PE

- Practise jumping and hopping as far as you can. Can you jump further on your right leg or left leg?

Home Learning

We have been hugely impressed with the amount and quality of homework being completed over the last few half terms by pupils. Over the next six weeks, you must complete at least one of the English and Maths activities, and also choose any of the others to complete. As we are giving you a lot of time to complete this homework, we expect good quality work. All activities will also be covered in school at some point over the half term. We will be holding a home learning sharing session in school on Thursday 24th **May,** so all homework must be handed in by that Wednesday – As always, feel free to be as creative as you like!

Geography

Research a different country or think about a country you have visited in the past. Describe the weather there compared to the weather in the UK.

French

Draw a picture of your choice and describe it using adjectives and colours in French.

DT

Taste your favourite meal and write down the ingredients used to make it.
