

BFG's Topic Web - Summer Term 2 2018

English

In preparation for our performance of Mary Poppins, you will be given a speaking part to practise.

Also, read/watch another 'classic fiction' book/film (eg, The Secret Garden, Oliver Twist or The Jungle Book) and write a review, comparing its similarities and differences to Mary Poppins.

Maths

Read the fox, chicken and seed riddle (attached to the back of this sheet)

Solve the riddle and then write two or three of your own, put these onto a PowerPoint, ready to share in assembly!

PSHCE

As part of our Job Junction project, research your dream job and write a list of skills you would need to get the job.

BFG's Home Learning Activities Summer 2

Science

Create a game (Eg. Top Trumps) of the different types of animals.

Creative Curriculum

Review and evaluate the 'historical' evidence regarding the existence of the lost city of Atlantis and reach a judgment as to its reliability and trustworthiness.

You can present your findings however you want! You could create a PowerPoint, write a speech, create a poster etc.

Home Learning

We have been hugely impressed with the amount and quality of homework being completed over the last few half terms by pupils. Over the next six weeks, you must complete at least one of the English and Maths activities, and also choose any of the others to complete. As we are giving you a lot of time to complete this homework, we expect good quality work. All activities will also be covered in school at some point over the half term. We will be holding a home learning sharing session in school on Tuesday 17th July, so all homework must be handed in by that Monday - As always feel free to be as creative as you like!
