

## BFGs Topic Web - Summer Term 1 2018

### Aim Big to be Big!

### English

This half term will focus around revision for Spelling, Punctuation and Grammar and Reading. The children will work in small intervention groups to focus on areas that they are less confident in, this allows us to give them the tools to reach their full potential during the SATs week.

Following this, we will be completing some writing based around our Brazil project (see creative curriculum)

### Physical Education

We are very lucky to have a cricket coach come in and take us for an extra PE lesson this half term, on a Friday.

### Maths

This half term will focus around revision for Arithmetic and Reasoning. The children will work in small intervention groups to focus on areas that they are less confident in, this allows us to give them the tools to reach their full potential during the SATs week.

### Religious Education

This half term we will be combining our knowledge of different religions and developing our skills using this knowledge as a base.

### Creative Curriculum

This half term the children will be directing their own learning, with the topic 'Brazil.' There will be links made to several subjects and the children will investigate, explore and research areas that capture their curiosity.

### Science Links

- Habitats
- Food chains
- Ecosystems
- Plants
- Water Cycle

### PSCHE Links

- Caring for the environment
- Recycling and responsibility
- Where does our food come from? McDonald's
- Who is more important, animals or humans - who decides? (debate)

### Maths links

- Ratio - amount of land deforested
- Measurement
- Area and perimeter
- Multiplication

### Geography Links

- Map work
- Tropics of Cancer and Capricorn
- Equator
- Farming
- Deforestation
- Tourism
