

Hogwarts Homework Grid - Summer Term 2019

It's our choices that show who we truly are, far more than our abilities.

English

- At the back of your homework book, there is a list of year 3 spellings. Choose a method that works for you (e.g. pyramid writing or look, cover, write) and try to learn as many spellings as you can by the end of the year.
- Research and describe a mythical creature or person.

Home Learning

Over the next term, you must complete at least one English and Maths activity, and also choose at least 3 other activities to complete. As we are giving you a lot of time to complete this homework, we expect good quality work.

We will be holding a home learning sharing session in school, following the half term heroes assembly on Friday 19th July, so all homework must be handed in by that week - feel free to be as creative as you can -

We can't wait to see what you produce!
Enjoy

PSHCE

- Think of a way to make someone in your life feel appreciated.

Vikings

Physical Education

- Jump as far as you can from a standing position, measure and record how far you have jumped.

Music

- Listen to a piece of music and write a review using musical language.

Spanish

- Create a diagram describing an animal in Spanish.

Maths

- Choose a multiplication table that you have not yet learnt. Write it down and practise - don't forget the corresponding division facts!
- Write down as many ways to make £1 as possible. E.G. 50p+50p= £1
- Draw 5 2D shapes and label the size of their angles.

Geography

- Explain how plants and animals are adapted to the climate of a desert. E.g. a camel, a cactus

History

- Explain why William, Duke of Normandy, fought the Anglo-Saxon King Harold for the English crown at Hastings on 14 October 1066.

Science

- Create a fact file about a wild animal of your choice. This could include their habitat, what they eat, what eats them etc.
