Headteacher: Mrs Samaira Nasim

15 June 2020

Dear Parents/Carers,

We would like to thank you for your continued support with your child's/children's learning from home in what is a challenging and ever-changing situation and we include with this letter our 3rd learning pack for you.

The pack is much more focused, as we prepare all the children for a return to school in September as per the current Government guidelines.

In the pack you will find a range of activities that have catered for both online and offline learning, linked to the skills your child/children should be developing at this time. Teacher's will continue to upload online learning to sites such as spag.com, myON and Purple Mash. Other sites that children can access are: Phonics Play, Oxford Owl Reading Tree, TT Rockstar's and Bedrock Learning (KS2)

Following the easing of lockdown, we are in a position for teaching staff to ring you to check in with how the children are getting on with their learning, this previously having been done by the Senior Leadership Team. These calls will also provide you with the opportunity to ask any questions about the learning directly to your child's teacher.

We would love to see any work the children are completing at home and you can share this on our Twitter and Facebook page. Please also note we regularly update both social media sites with messages, activities and links to other learning sites.

Please note, we expect the learning pack to be completed and returned to school when we fully reopen and know that all the children will do their very best with their learning.

Once again, we thank you for your continued support and if you need any help or further information you can always ring us on, 01282 437277 and someone will help you or arrange for your child's teacher ring you back as soon as possible.

Yours sincerely,
Mrs S Staples
