

English

Key text: The Tin Forest

We will be exploring this text and finding out what happens when a lonely man creates his own forest out of scrap metal.

The Reading Hour: Mary Anning: The Girl Who Cracked Open the World and Death of the Dinosaurs

EGPVS: Word classes, using 'a' or 'an', tenses, prefixes

Maths

Focus Area: Place value to 10,000

We will be looking at the place value of thousands, hundreds, tens and ones and how to use this knowledge to quickly find 1, 10, 100 and 1000 more or less

Arithmetic Focus: Addition and Subtraction

Times Table Focus: 3 & 4

Humanities

Enquiry Question: How did the arrival of the Romans change Britain?

We will be exploring why the Romans invaded Britain, what their towns looked like and why gladiatorial games were so important to them.

Science

Focus Area: Solids, Liquids and Gases

For this term we will observe the properties of different states of matter and the process they go through to change from one to the other. This will be done through the use of different experiments.

RE

Enquiry Question: Is it possible for everyone to be happy?

To answer this question, we will be exploring what makes us happy or unhappy and the Buddhist view of happiness.

PE

This term we will be looking at athletics skills. We will also be brushing up on our throwing, catching and racquet skills as well as creating our own games involving balls and racquets.

Spanish

We will be learning how to talk about ourselves and others in Spanish. Additionally, we will be listening to and learning a variety of songs and rhymes in Spanish.

Music

For our music we will be learning about a wider range of musical instruments and the sounds they make. As well as this we will be looking at music from around the world.

PSHCE

Being Me in My World.

We will look at how to work as a team in our class and how we fit into a community.

Art, Craft & DT Drawing

We will be working on our sketching skills using pencil and charcoal to draw objects. We will think carefully about shading to show light and dark.

Computing

For this term we will be focusing on coding. We will learn how to use code to change and control objects in a programme and how to fix bugs in the code.
