

Gruffalos Autumn 2 2022

Learning to play, Playing to learn!

Literacy

We will learn to hear and write the initial sounds in words. Begin to write simple words such as mum, dad, cat; along with many more along with a few tricky words such as 'the' and 'I'. We will enjoy a variety of texts and learn lots of new language concepts as well as new vocabulary from the new books we are looking at each week.

Maths

We will learn to recognize, count, and know all the number facts about numbers up to 10. In addition, we will learn about composition of each number in detail. We will also continue to focus on subitising numbers to 5 knowing how to quickly recognising it using our number facts that have been learnt.

Communication and Language

We will learn new vocabulary relating the books we are reading such as Owl Babies, Room on the Broom and Funny bones. We will be learning to listen to new and different sounds to blend sounds to make different words.

It's time to
celebrate and
remember!

Personal, Social and Emotional

We will be looking at the importance of sleep and how it affects our bodies. We will discuss what we are good at and the things we find difficult. In addition to this we will be looking at how we are different and how we are the same and that it is special to be different and unique.

Physical Development

We will be doing our fundamental skills every day for an hour, this is where we will practice: running, jumping, hopping, skipping, and catching. For fine motor skills we will do dough disco, scissor skills and much more to continue to develop the muscles in our fingers.

Expressive Art and Design

We will be making Christmas cards and crafts for in school and at home. Learning new songs relating to Christmas and our school Nativity as well as learning to play instruments. Children will also be able to explore Diwali the festival of light, making different rangoli patterns.

Understanding the World

In our Geography we will be using Forest school to look at Whose tracks are those and where do they go. In our Science we will be looking at different potions including different solids, liquids and gases and how they can change. In History we will be looking at what toys are from the past and how they are different from the toys we have now.
