

# Little Marvels Autumn Term 2 Topic Web

## Little Marvels Love to Learn!

### English

**Key text:** The Man on The Moon (A Day in the Life of Bob) by Simon Bartman. We will be focusing on fact and fiction and learning the difference between them. We will develop our language through describing Bob's experience on the moon. We will learn facts about space and write our own fact file.

**Phonics:** We will continue with phase 5. We will learn the long u sound, split digraphs, and alternative spellings for er and aw.

### Humanities

**Enquiry Question:** Why don't penguins need to fly? We will be focusing on where Antarctica is and why it is known as the 'white continent.'

### RE

**Enquiry Question:** What gifts might Christians in my town have given Jesus if he had been born here rather than in Bethlehem?

### Maths

**Focus Area:** We will continue with number bonds and numbers to 10. We will improve our skills in counting forwards and backwards. We will gain a good understanding of the number bonds to 10 and be able to recall them fluently.

**Arithmetic Focus:** We will focus on addition and subtraction skills. We will use practical equipment and games to help us learn.

### Science

**Focus Area: Animals including humans**

We will be continuing with the topic we started last half term. As part of the topic this term we will be looking at how to look after animals and will begin to learn about the human body.

### PE

We will be learning to roll a ball with increased accuracy. We will also investigate which part of our body is best to use to roll the ball to a partner.

### Music

**Listen, concentrate, warm up**  
In our music sessions we will be learning to sit and concentrate, listen, and warm up, so that we are ready to sing. These skills will come in handy for when we contribute to the Nativity, with our singing.

### PSHCE

**Celebrating Differences.**  
As part of this topic, we will be identifying similarities and differences between children in our class and celebrating these similarities and differences.

### Art, Craft & DT

**Design Technology Focus**  
We will design and make a fabric face. We will explore different ways of attaching fabric.

### Computing

**Online safety and using a computer**  
We will be continuing with the work we started last term. Additionally, we will be focusing more on improving our computer skills through Purple Mash.
