

Hogwarts Autumn Term 2 2022

It is our choices that show who we truly are, far more than our abilities.

English

Key text: Lost Happy Endings

We will be reading about a strange girl called Jub and her important job of ensuring the happy endings are released each night in time for bedtime.

The Reading Hour: The Song of Sky and Sand

EGPVS: Fronted adverbials, inverted commas

Maths

Focus Area: Place value to 10,000.

We will be continuing to look at the place value of thousands, hundreds, tens, and ones and how to use this knowledge to help us multiply and divide large numbers.

Arithmetic Focus: Multiplication and Division

Times Table Focus: 6 & 7

Humanities

Enquiry Question: Beyond the Magic Kingdom: what is the sunshine state really like?

We will be exploring the human and natural geography of the state of Florida and research why the turtle population there is threatened.

Science

Focus Area: Sound

For this term we will be learning what sound really is and how we are able to hear. We will also be looking at how different instruments make sound and how they change their sound.

RE

Enquiry Question: What is the most important significant part of the nativity story for Christians today?

To answer this question, we will be revisiting the nativity story and exploring the symbolism in it.

PE

This term we will be continuing to practice our throwing, catching and racquet skills as well as creating our own games involving balls and racquets and learning the rules of games such as tennis and badminton.

Spanish

We will be learning how to talk about ourselves and others in Spanish as well as listen to and learn to a variety of songs and rhymes in Spanish.

Music

For our music we will be learning songs for our Christmas concert. We will also be learning how to play the recorder.

PSHCE

This term will be focused on Celebrating Difference. We will explore what makes us unique and why it is good that we all think differently.

Art, Craft & DT

For our DT we will be exploring rollercoasters and using what we learn to make our own mini rollercoaster out of cardboard.

Computing

This term we will be looking at online safety focusing on how spot and avoid spam emails. We will also learn how to use search engines effectively.
