

English

Key text: The Great Kapok Tree

We will be learning about the importance of every part of the rainforest from the point of view of the animals that live there and why people cut down the rainforest.

The Reading Hour: The Song of Sky and Sand

EGPVS: Homophones, 'shun' ending.

Maths

Focus Area: Fractions and Decimals

We will be looking how to find fractions of amounts, add fractions with the same denominator and convert between fractions and decimals.

Arithmetic Focus: Multiplying and dividing 2- and 3-digit numbers.

Times Table Focus: 8 & 9

Humanities

Enquiry Question: Who were the Anglo Saxons and how do we know what was important to them?

We will be learning who the Anglo Saxons were, how they lived and exploring what was discovered at the Sutton Hoo burial mound.

Science

Focus Area: Animals Including Humans

For this term we will be learning about the parts of the human digestive system and how it works, what can cause tooth decay and what food chains and food webs are.

RE

Enquiry Question: Can the Buddha's teachings make the world a better place?

We will be learning about who the Buddha was and what he taught his followers as well as thinking about what we would do to make the world a better place.

PE

This term we will be starting our swimming lessons and building our confidence in the water. We will also be developing our gymnastics skills, learning how to create a gymnastic sequence that includes travels, balances, and turns.

Spanish

We will be learning about Spanish phonemes to help us read the story of Little Red Riding Hood in Spanish.

Music

For our music we will be creating our own compositions and performing them to each other. We will also be preparing for Let's Go Sing.

PSHCE

This term will be focused on Dreams and Goals. We will be thinking about what dreams we want to achieve and what steps will get us there.

Art, Craft & DT

For our art this term we will be looking at how to use different tints and shades of paint to create a 3D image and compose a still life piece.

Computing

This term we will be looking at the features of spreadsheets and how to use them to show data in different ways.
