

Little Marvels Spring Term 1 2023

Little Marvels Love to Learn!

English

Key text: The Dark by Lemony Snicket.

We will discover whether the Dark is a friend to Lazlo. We will write a letter of advice on what to do when you are afraid of the dark. We will begin to use adjectives to describe the dark and our feelings.

Phonics: Continue with Phase 5 and focus on consonant clusters.

Maths

Focus Area: Addition and subtraction with in 10.

We will continue to build on our number bond knowledge and use this to help solve addition and subtraction calculations.

Arithmetic Focus: We will be solving problems using practical equipment.

Humanities - History

Enquiry Question: Why was Charles sent to prison?

We will look at the life and times in Britain during the First World War.

RE

Enquiry Question: Was it Always Easy for Jesus to Show Friendship?

We will learn about what it means to be a good friend and we will look at some stories from the Bible.

Science

Focus Area: Seasons

We will be exploring seasonal changes around us. Additionally, we will be looking at changes in relation to the length of day and seasonal weather changes.

PE

Throwing:

We will be learning to use an underarm throw. We will practise this skill in lots of ways such as through an obstacle course whereby the children have to use an underarm throw to knock a ball off a target.

Music

**Rhythm or Melody
Tempo**

PSHCE

Dreams and Goals.

We will look at celebrating our successes, working with our partner and how to deal with challenges.

Art, Craft & DT

**Art: Painting and mixed media -
Making a Splash!**

We will be focusing on colour mixing, learning vocabulary linked to the topic and experimenting with a variety of media.

Computing

**Mouse and key board skills and
online safety.**

The children will learn skills such a drag and drop using a mouse and touch typing. We will also look at how we can stay safe online.
