

Avengers Summer Term 1 2023

There is a Hero in all of Us!

English

Key text: The Iron Man

A young boy forms a friendship with the Iron Man. The Iron Man turns from villain to hero as the world faces a bigger threat. We will be writing a character description, newspaper, a diary, and a persuasive letter.

EGPVS: Subordinate clauses, phrases, singular and plural nouns, pronouns, prefixes

Maths

Focus Area: The children will be learning about time, fractions - finding equivalent, comparing, adding, and subtracting fractions. Additionally, they will be making and comparing angles, and telling the time.

Arithmetic Focus: counting in fractions.

Times Table Focus: 3x, 4x and 8x tables

Humanities

History - Iron Age

We will be looking at artefacts and discussing how we can use them to find out about life in the Iron Age.

Geography - Climate and Weather

We will be looking at how and why the climate and weather varies in different parts of the world.

Science

Focus Area: Plants

As part of our science topic, we will be investigating and studying the different parts of a flower in detail. Additionally, we will be learning about pollination and how this occurs. Following on from this we will look at seed dispersal and the importance of this.

RE

Enquiry Question: Do Sikhs think it is important to share?

We will be learning about how Sikh beliefs affect their way of life, and the importance they place on sharing.

PE

The children will start their swimming lessons at St Peter's centre. Lessons will involve learning about the different strokes and getting the children to swim confidently over distances, which will build up. The children will also complete an Athletics module this half-term as well.

Spanish

We will be learning how to say, "I like" and "I dislike" in Spanish. Much of this will be through oral rehearsal. We will also learn the names of the four seasons in Spanish.

Music

The children will be using keyboards, percussion, and our voices to perform melodies and simple rhythms.

PSHCE Relationships

The children will identify the type of roles and responsibilities each family member has and why. Additionally, they will also look at the topic of Friendship, which will develop into the children being able to define what it means to be a good friend and why this is important.

Art, Craft & DT

We will be designing and making tarts. Additionally, we will be comparing sculptures from different artists and then will create our own 3D sculptures.

Computing

We will be using the coding website Scratch to learn how to code and create our own game.
