

# Hogwarts Summer Term 1 2023

It is our choices that show who we truly are, far more than our abilities.

## English

### **Key text: Arthur and the Golden Rope**

We will be exploring the adventures of the unlikeliest of heroes and use the powerful language in his story to write our own and create some Kennin Poems.

**The Reading Hour: Myths of the Sea**

**EGPVS: Spelling words with alternative graphemes**

## Maths

### **Focus Area: Measurements and Geometry**

We will be looking at how to convert between mm, cm, and m. We will also work out how to find the area and perimeter of a shape and the properties of shapes.

**Arithmetic Focus: Addition and Subtraction**

**Times Table Focus: Recap of all times tables**

## Humanities

### **Enquiry Question: What did the Vikings want and how did Alfred help to stop them getting it?**

We will be learning who the Vikings were and where they came from as well as why they came to Britain. We will also find out why Alfred was called 'Alfred The Great'.

## Science

### **Focus Area: Living Things and their Habitats.**

For this term we will be learning about the different types of vertebrates and invertebrates in the world. We will also look at animals' habitats and why these can be fragile.

## RE

### **Enquiry Question: What is the best way for a Buddhist to lead a good life?**

We will be learning about the Noble 8-Fold Path that Buddhists try to follow and how this helps them to make 'good' choices and what helps us to do the same.

## PE

This term we will be looking at our gymnastics skills and learning how to travel, roll, balance and jump to create a gymnastic sequence. We will also watch each other's performances and make suggestions on how they could then be improved.

## Spanish

We will be continuing to work on our Spanish reading skills and will start to write simple sentences in Spanish.

## Music

For our music we will be focusing on notation in music and rhythm. We will also be looking at some of the songs of The Beatles.

## PSHCE

This term will be focused on Relationships. We will look at the different kinds of healthy relationships people may have.

## Art, Craft & DT

For our DT this term we will be creating a tower with a working electrical light and then testing them to evaluate the structure and design.

## Computing

This term we will be using Google slides to create a variety of different animations and learning how to manipulate objects on a screen.
