

Hogwarts Summer Term 2 2023

It is our choices that show who we truly are, far more than our abilities.

English

Key text: The Mousehole Cat

We will be learning about the Legend of Mouser, a cat from the Cornish village of Mousehole and how she helped to save the village from a vicious storm.

The Reading Hour: A Tale of Two Poggles.

EGPVS: Common exception words

Maths

Focus Area: Position and Movement and Roman Numerals

We will be looking at how to plot and find points on a grid using co-ordinates. We will also be learning how to read Roman numerals to 100.

Arithmetic Focus: Multiplication and Division

Times Table Focus: Recap of all times tables

Humanities

Enquiry Question: How can we live more sustainably?

We will be learning what the word sustainable means and linking this in with our English. We will also be thinking about how we can personally live sustainably and how the world can be more sustainable.

Science

Focus Area: Living Things and their Habitats.

For this term we will be continuing to learn about the different types of vertebrates and invertebrates in the world. We will also look at animals' habitats and why these can be fragile.

RE

Enquiry Question: Do people need to go to church to show they are Christians?

We will be learning about what Christians do in church, why they go to church and if it is expected that they do go to church. We will also talk about our special places.

PE

This term we will be using our Myths and Legends knowledge taken from our English lessons to create dances that show different events and characters.

Spanish

We will be continuing with the work we started on our Spanish reading skills and will continue to focus on writing simple Spanish sentences.

Music

For our music we will be continuing to look at notation and using it to write our compositions. We will also be looking at the pentatonic scale.

PSHCE

This term will be focused on Changing Me. We will think about how we have changed over time and what changes we can look forward to.

Art, Craft & DT

For our art this term we will be refining our observational drawing skills as well as exploring materials and combining different media for effect.

Computing

This term we will be looking more carefully at the computer itself and learning more about its different parts, how they work and what they do.
