

Marvels Summer Term 2 2023

Little Marvels Love to Learn!

English

Key text: Pattan's Pumpkin.

We will explore this text using drama, artwork and poetry. We will also look at a range of flood stories and myths and use these to help us write our own stories.

Phonics: Revision and phonics screening.

Maths

Focus Area: Number bonds to 20.

We will use our knowledge of number bonds to 10 to help us look for patterns and learn the numbers to 20. We will use a range of equipment and games to explore these patterns.

Arithmetic Focus: Addition and subtraction to 10 and 20.

Humanities

Enquiry Question: What is it like to live in our country?

We will explore the UK by looking at individual countries, capital cities, human and physical features.

Science

Focus Area: Plants.

We will begin to identify the different parts of the flower. Following this we will create our own pictures of flowers and will learn the function of each part of the flower.

RE

Enquiry Question: Are Rosh Hashanah and Yom Kippur important to Jewish children?

We will explore these festivals and compare them to important times in our lives.

PE Gymnastics

We will continue to develop our gymnastic skills using the book Zog as a stimulus. We will work on balancing, rolling and jumping.

Music

We will develop our use of musical words and will learn how to compose short pieces and learn to recognise graphic score.

PSHCE Changing me

We will learn that everyone is unique and special, and we will learn how to respect the changes we see in ourselves.

Art, Craft & DT DT: Food Technology.

Sensational Salads. We will look at where our food comes from, different types of salads and finally write our own recipes.

Computing Coding

We will be coding using the 2Code tool. We will also be designing and planning a program.
