Dear Parents/Carers,

Photograph Request

Our class topic for this half term is 'Ourselves' and we are thinking about what makes people special and what we looked like when we were babies.

To help us with our topic, we would like you to send in a photograph of your child as a baby [*please write their name on the back so we can return it to you*] so their photo can be shared with the class during our circle time.

As always, we thank you for your support

Yours sincerely,

Miss M Coward
