

English

Key text: Stormbreaker - Alex finds himself thrown into the murky world of espionage. Trained by MI6, Alex's first mission is to infiltrate the base of the reclusive billionaire suspected of killing his uncle. We will be exploring in depth key characterisations, themes and settings in an adventure thriller longer narrative.

The Reading Hour: Under my feet, The king in the car park.

EGPVS: word classes, apostrophes, prefixes and suffixes, statutory spellings, homophones, 'ough' sound

Maths

Focus Area: Place value - understanding numbers to 1,000,000 (one million).

Arithmetic Focus: Addition and subtraction - adding and subtracting numbers to 1,000,000 and furthering our reasoning skills around this.

Times Table Focus: Ensuring fluency across the times tables up to 12x12

History and Geography

Enquiry Question: How do volcanoes affect the lives of the people on Heimaey? Children will explore both the physical processes that shape the Earth and how these affect the lives of humans.

Enquiry Question: Why were castles so important to the Normans? We will learn about how and why the design of castles changed after William the Conqueror gained control over most of England.

Science

Focus Area: Forces

Children will consolidate and extend their knowledge of forces by naming individual forces. They will extend their knowledge of frictional forces (air resistance and water resistance) and plan fair test investigations. They will learn how forces can be helpful and unhelpful in various scenarios.

RE

Enquiry Question: What is the best way for a Hindu to show commitment to God?
The children will look at different aspects of Hindu worship.

PE

Swimming- The children will extend their ability in the water.

Invasion Games-They will also learn different invasion skills whilst developing their teamwork.

Spanish

Do you have a pet?
The children will learn how to ask and answer this question.

Music

Active Listening

Whilst listening, the children will identify and perform syncopated/off-beat rhythms. Explain why the music uses those rhythms.

PSHCE

Me and my relationships
- children will learn skills to develop their ability successfully collaborate and communicate with others.

Art, Craft & DT

Sculpture and 3D installation.

The children will be investigating the effect of space and scale when constructing 3D artworks.

Computing

Scratch

The children will use this online coding website to develop their coding skills.
