

English

Key text: The Green Ship

When two bold adventurers climb over the wall to explore the overgrown garden next door, they discover a ship made of bushes, with tall, thin trees for masts. They also meet marvellous Mrs Tredegar, who turns them into a fully trained crew, and with their imaginations at the ready, they embark on a series of glorious voyages.

The Reading Hour: The Song of Sky and Sand

EGPVS: Compound and Complex Sentences, sion/tion/cian and suffixes.

Maths

Focus Area: Multiplication and Division

We will begin by learning how to multiply by numbers 6 -12. Then we will learn formal methods to multiply and divide numbers. Once secure, we will apply this learning to problem solve.

Arithmetic Focus: Addition and Subtraction

Times Table Focus: 3's, 6's and 9's.

History and Geography

Enquiry Question: How have the medical breakthroughs of the last two hundred and fifty years affected the lives of people in Britain?

We will sequence the most significant moments in medicine.

Enquiry Question: Why is Jane's house only worth one pound?

We are continuing from last half term.

Science

Focus Area: Electricity

We will be learning about how electricity is made, how an electrical circuit works and creating our own and how we can use renewable resources to generate electricity. We will also link of learning to properties of materials in terms of if a material conducts electricity or not.

RE

Enquiry Question: What is the most significant part of the nativity story for Christians today?

To answer this question, we will be revisiting the nativity story and exploring the symbolism in it.

PE

This term we will be continuing to practice our throwing, catching and racquet skills as well as creating our own games involving balls and racquets and learning the rules of games such as tennis and badminton.

Spanish

Songs and Rhymes
We will listen to and learn to a variety of songs and rhymes in Spanish.

Music

For our music we will be learning songs for our Christmas concert. We will also be learning our Let's Go Sing songs.

PSHCE

Valuing Differences

- Recognising and celebrating difference.
- Understanding and challenging stereotypes.

Art, Craft & DT Electric Torches

We will be applying our learning from Science to design and create a torch.

Computing 3D Design

We will be using software to create a 3D village.
