

WE'RE
TAKING PART
IN NSPCC
NUMBER DAY!

26 January 2024

Dear Parent/Carer,

Springfield Number Day!

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 02 February 2024.**

Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline - the helpline that's always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **25 seconds**

Making maths meaningful

Number Day is a fantastic way to make maths fun and bring about a positive, 'can-do' attitude towards it.

We are having a fun day of maths activities and we will be taking part in *Dress up for Digits*. Children are asked to wear a top or jumper with a maths or numbers theme. Children should still wear their school trousers or skirt as usual.

To help raise money for the NSPCC, we are asking for **donations of £1.00 per family**.

It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Springfield will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Yours sincerely,
Mr A Douglas
Maths Lead
