

Fantastic Foxes Autumn Term 2 2023

Learn and Be Happy!

English

Key text: The Hodgeheg

We will be looking at information texts, retelling, annotating, drawing, creating maps and character/ setting descriptions.

The Reading Hour: During the Reading Hour we will be reading a different text each fortnight and exploring different aspects of each.

EGPVS:

Capital letters, full stops, question marks, exclamation marks and commas in a list.

Maths

Focus Area:

Addition and Subtraction

Arithmetic Focus:

Revision for our end of year tests

Times Table Focus:

2s, 5s and 10s

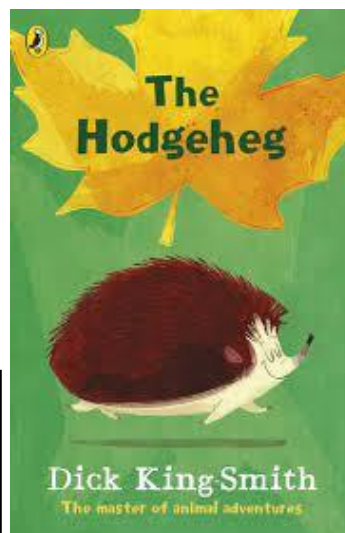

History and Geography

Enquiry Question: Who is the greatest history maker?

Reflect upon what history makers might achieve during the remainder of this century. Compare and contrast.

Enquiry Question: How does the Geography of Kampong Ayer compare with the geography of where I live?

Identify, locate and begin to explain parts of Kampong Ayer and compare these with the local area.

Science

Focus Area: animals including Human body.

Children will learn how to group animals according to what they eat, describe how animals get their food from other animals and/or plants, and use simple food chains to describe these relationships. Children will also be introduced to a range of scientific vocabulary.

RE

Enquiry Question: Why do Christians believe God gave Jesus to the world? We will re-call the Christmas story and explain that Christians believe Jesus was a gift from and explain why Christians think God gave Jesus to the world.

PE

Bounce a ball.

Children will learn to bounce the ball with control, to incorporate movement and learn strategies to stay balanced. Use simple games to manoeuvre the ball and learn tactics.

Music

Perform and sing.

Sing to communicate the meaning of words. Understand and follow leader. Join in sections of a longer song.

PSHCE

The children will be learning about a range of emotions and behaviours. How to cope with social situations as well as talking about the components of bullying and problems solving.

Art, Craft & DT

Mechanisms: Fairground Wheel

Children will explore wheel mechanisms. They will have the opportunity to design and create their own.

Computing

Data Handling.

Understand What makes a computer a computer, follow instructions and understand how technology helps us.
