

English

Key text: Firebird

This is a Russian folk tale in which a magical glowing bird proves to be both a blessing and a curse to its captor. The children will spend some time thinking about Prince Ivan, the choices he makes and what his actions reveal about his personality.

The Reading Hour: Lexia Programme

EGPVS: Standard English - was/were, those/them, have/of

Maths

Focus Area: Fractions & Decimals

We will be learning how to tell the time on a 24-hour clock, converting hours to minutes, minutes to seconds and then solving problems. After this, we will be learning about a number line involving decimals as well as knowing how fractions and decimals link together. We will learn how to write decimals, divide by 10 and 100 and round decimals.

History and Geography

Enquiry Question: What Happened to the Boy Behind the Golden Mask? This enquiry takes us to Ancient Egypt to discover the mystery behind Tutankhamun's sudden demise!

Enquiry Question: How can we live more sustainably? We will be learning what the word sustainable means and thinking about how we can personally live sustainably and how the world can be more sustainable.

Science

We will observe the properties of different states of matter and the process they go through to change from one to the other. This will be done using different experiments including testing the viscosity of different liquids and rates of evaporation.

RE

Enquiry Question: Is forgiveness always possible for Christians?

We will be learning what Christians believe Jesus taught about forgiveness and if we could always forgive someone.

PE

Swimming and Dance

This term we will be continuing our swimming lessons and building our confidence in the water. We will also be creating dance sequences.

Spanish

Little Red Riding Hood
We will be learning about Spanish phonemes to help us read the story of Little Red Riding Hood in Spanish.

Music

For our music we will be looking at the structure of music and how different styles of music are composed.

PSHCE

Rights and Respect

- Making a difference.
- Media influence.
- Decisions about spending money.

Art, Craft & DT

Slingshot Car

We will be learning about the parts of a car and how to use mechanisms to create a slingshot car.

Computing

Animation

We will use software to create a stop motion animation. We will also create pixel animation and save it as a GIF file.
