Springfield Together - Friday 24th May

Dear Parents/Carers,

We are excited to tell you about the 'Springfield Together' event being held at school on Friday 24th May from 13:30.

Those of you that were here last year will remember the event in which you were able to join us and meet the different companies and agencies within the local community that support us. Well this year it is bigger and better!

We have a number of stalls where you can visit and gain information, these stalls include:

SafeNet (Domestic Violence support workers)
Burnley Leisure & Culture
Friends of Springfield
local religious leaders
Trees for Burnley,
NHS Mental Health services,
School nurse team,
Lancashire Adult Learning
and many more.

Additionally, all those parent/carers that visit all the areas will receive a stamp on your passports (given on the day), you'll receive a meal created by our brilliant kitchen team at Springfield.

Once you have been to all the different areas, you are then free to leave with your child and enjoy the start of the half-term.

We hope you can join us on the day to celebrate the amazing these people do in our local community!

Kind Regards,

Mr J Coates

Events Co-ordinator
