Dear Parents/Carers,

Reading & TT Rockstars

Reading, as we all know, is a fundamental skill that underpins all learning. It expands vocabulary, stimulates imagination, and enhances critical thinking and with this in mind, we would like to stress the importance of ensuring that your child reads their reading books at home, on a regular basis.

At the beginning of the year, each student was provided with a login for TT Rockstars. This online platform offers an engaging and enjoyable way for children to practice and improve their times tables skills. Regular usage of TT Rockstars will improve their mathematics learning and overall academic progress.

By incorporating these activities into your child's daily routine, you contribute significantly to their educational development. Reading and practicing times tables not only enhance subject-specific skills but also foster independent study habits and discipline.

To ensure continuity and progress, we kindly request that you converse with your child about their reading experiences and monitor their engagement with TT Rockstars. By showing an interest and discussing their learning, you actively reinforce the importance of these activities.

Please remember that we are here to support you and your child in any way possible. If you have any queries or concerns regarding this matter, you can 'catch' staff at the classroom door before or after school.

As always, we thank you for your support in nurturing your child's educational journey.

Yours sincerely,

Miss M Ashraf
