

# Hogwarts Autumn Term 2 2024

It is our choices that show who we truly are, far more than our abilities.

## English

**Key text:** My name is not Refugee - Through simple, thoughtful text and illustrations, the book invites readers to understand the emotional journey of a child leaving behind everything familiar, facing uncertainty, and adjusting to a new life.

**The Reading Hour:** Female Scientists - We are looking at a wide range of texts based on women in science.

**EGPVS:** Fronted adverbials, metaphors, commas for clauses.

## Maths

**Focus Area:** Multiplication, Division, Time and 3-D Shapes.

**Arithmetic Focus:** Arithmetic Focus: Addition & Subtraction This will include making links between numbers, number bonds, one more, one less and how we can use this to subtract more effectively.

**Times Table Focus:** We are securing our 2's, 5's and 10's. However, we are also learning our 3's, 6's and 9's timetables.

## History and Geography

**Enquiry Question:** How did the arrival of Romans change Britain? We are going to continue our learning on the Romans. We will look at significant figures during this time and the impact they had.

**Enquiry Question:** What makes Fairtrade fair? We are going to continue our learning on Fairtrade and learn more about its background and how it impacts people.

## Science

**Focus Area:** Electricity - we are going to be learning about different appliances that use electricity. We are also going to be learning how to construct a simple electrical circuit and identify components that might be found in a circuit.

## RE

**Enquiry Question:** How and why might Christians use the Bible? We are going to be learning more about the Bible, and how Christians use it as guidance in their lives.

## PE

**Net and Wall Core Task Two** - This term we will be looking at athletics skills. We will also be brushing up on our throwing, catching and racquet skills. We will be learning more about how to play games with the racquets.

## Spanish

Feliz Navidad.  
We will be learning a range of different phrases regarding the festive season.

## Music

We will be learning all about recorders, and learning how to use them.

## PSHCE

Valuing Difference -  
We will be learning all about the differences that make us unique, and how we can embrace them.

## Art, Craft & DT

Focusing on our drawing and composition skills by exploring pencil shading, charcoal, and mark-making techniques.

## Computing

3D Design  
Select, use and combine a variety of software on a range of digital devices to design and create a range of programs.
