

Avengers Spring Term 1 2025

There is a Hero in all of Us!

English

Key text: The Lost Thing and Journey

The Lost Thing and Journey are both picture books that will allow us to explore a character and adventure in detail and use a lot of inference skills.

The Reading Hour: We will be looking at forces and magnetism.

EGPVS: We will be looking at different types of sentences, tenses and descriptive techniques we can use in our writing.

Maths

Focus Area: Place value, multiplication and division, fractions, volume and capacity.

Arithmetic Focus: Place value, addition and subtraction to 1000

Times Table Focus: 2, 8 and 10

History and Geography

Enquiry Question: - How do the Standing Stones, and the Amesbury Archer's burial help us to understand Bronze Age lives? We will be exploring people, society and culture in Britain during the Bronze Age

Enquiry Question: Why Do So Many People in The World Live in Megacities? - We will be identifying where in the world the biggest megacities are and the advantages and disadvantages of living in one.

RE

Enquiry Question: What does it mean to be a disciple of Jesus? - We will be looking at Christianity and why someone may become a disciple or follower of Jesus and how Christians try to follow Jesus's example.

Science

Focus Area: Forces and Magnetism

We will look at what types of forces there are, how friction effects motion, and investigate materials using magnets. We will think about what questions we want to investigate and how to conduct fair tests.

PE

We will be focusing on our fielding and striking skills including: throwing a ball underarm accurately, catching a smaller ball, striking a ball and applying tactics to a game. We will also be developing our dance skills with a focus on movements that represent a superhero.

Spanish

We will be learning how to say different fruit and how to pluralise these.

Music

The children will be creating basic 3 note tunes and simple rhythms using crotchets, quavers, minims and their rests.

PSHCE

This term we will be looking at how we can keep ourselves safe on the road and around strangers.

Art, Craft & DT

In art we will be creating various 3D structures and think about how to join pieces together.

Computing

This term we will be linking our computing with PSHE and looking at how to keep ourselves safe online.
