FAQ's

Is being affiliated with TGMC mean the school has undesirable behaviour?

Absolutely not. The schools associated with TGMC are forward thinking, progressive schools who are joining the movement and disrupting damaging traditional behaviour practices.

What support can parents get?

TGMC is developing a Parent Portal for all TGMC schools.

What is the difference between a partner school and a flagship school?

Partner schools have access to TGMC platform for all staff and parents. Flagship schools have this, as well personalised consultation from the founder to develop the school as a top tier TGMC model. This is a very small group of schools who were closely with Jen Foster. These schools will be declared TGMC flagships and be visited by Headteachers across the country as model practise.
