

English

Key text: Who let the Gods out?

The children will produce writing outcomes based upon the story around Greek Gods on Earth.

The Snow Sister

We will produce writing outcomes such as a police report demonstrating correct speech punctuation.

Reading hour: Forces

EGPVS: · punctuation around direct and indirect speech, apostrophes, pronouns, -tious, -cious

Maths

Focus Area: Angles, measurements, fractions, area

We will use a protractor to measure angles, solve problems with fractions, and use understanding of multiplication to find the area of shapes.

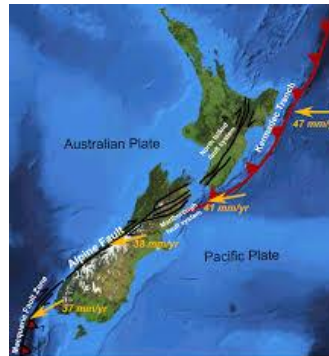

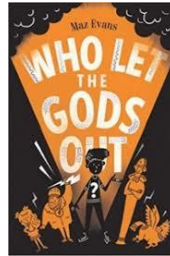

Arithmetic Focus: multiplication and division

Times Table Focus: Fluency of multiplication and related division facts for 4, 8, 6 and 9 times tables.

Geography

Enquiry Question: Why Do Some Earthquakes Cause More Destruction Than Others?

We will learn about what causes an earthquake and how earthquakes are measured. We will focus on earthquakes in New Zealand looking at their distribution and begin to understand why earthquakes happen in particular locations. We will also look at other factors that contribute to the amount of destruction caused by earthquakes.

Science

Focus Area: Forces

We will continue to learn about different forces, including learning about scientists who have influenced this field and investigating the effects of friction against different materials. We will also begin our materials topic, investigating what materials can dissolve.

RE

Enquiry Question: Why is the Qur'an so important to Muslims? This unit enables pupils to explore and examine the origins and role of the Qur'an as a source of wisdom and authority for Muslims.

PE

Year 5 will continue with their swimming lessons. In their PE lessons, they will continue with their creative games topic, practising attacking and defending skills to apply to their own games.

Spanish

Tienes una mascota? The children will continue to learn about speaking about their pets.

Music

The children will be exploring music for different occasions.

PSHCE

Valuing differences - the children will be looking at the positives in their differences and learning about the importance of kindness.

Art, Craft & DT

The children will be designing and creating pop-up books based on nursery rhymes during their DT lessons.

Computing

We will be learning to design apps and developing our graphic design skills using slides.
